

With over 66% of companies struggling to keep up with HR management, 85% now outsource some or all of their HR function.

WHO CALLS US FOR HELP?

Our clients work one-on-one with our expert consultants to build strategic HR plans that get results. This is our passion – whether it's growth strategies for small business or talent development for a large company.

We build strategic HR solutions that strengthen teams and culture so our clients can focus on driving growth.

Our client decision-maker is typically the CEO, CFO, COO and Head of HR.

INDUSTRY SECTORS WE SERVE INCLUDE:

ARCHITECTURE/
CONSTRUCTION

EDUCATION

ENGINEERING

NON-PROFITS

MANUFACTURING
/DISTRIBUTION

FINANCE/
ACCOUNTING

GOVERNMENT

DEVELOPMENT

COMPANIES AND ORGANIZATIONS HIRE US WHEN:

- ❖ They're struggling to recruit and retain employees
- ❖ The HR department is getting behind on completing strategic HR initiatives
- ❖ They have increased liability due to missed regulatory compliance deadlines
- ❖ Employees and new hires are unsure of company rules and expected behaviors
- ❖ Employees and managers need training and development programs to be successful

HOW WE HELP:

- ❖ Effectively analyze and assess the status of your HR infrastructure
- ❖ Develop an up-to-date, comprehensive employee handbook
- ❖ Develop and execute effective recruiting processes to hire great people
- ❖ Provide an assessment of your HR function to determine its effectiveness
- ❖ Implement training & development programs for leadership and employees to help them grow
